

# Can your family afford the Blount County Administration?

- County Debt has nearly **doubled** to a **quarter BILLION dollars**
- A **\$46,000,000** payment, due next year, **could send your taxes soaring**

- County spending is increasing at **more than 2.5 times the rate of inflation**

- Blount County - the **highest debt / person in East TN**

## A few examples of the waste of your tax dollars

- \$2,700,000 for a 50-year-old building when the County had a new one sitting empty.
- \$769,000 spent on a building that was canceled because it went so far over budget
- \$1,200,000 spent for new cars and SUVs in 2009, including \$100,000 for luxury SUVs for some County officials
- \$250,000 for a County "driving track"
- \$45,000 to settle a lawsuit covering the misdeeds of the son of a senior county official
- Ten of thousands of dollars for phony college diplomas for County officials

*There is nothing wrong with Blount County that cannot be cured by what is right with the County – you the people.*
